

## **LEVELJUMP HEALTHCARE CORP.**

### **Leveljump Becomes DTC Eligible**

**Toronto, ON** – September 8, 2021 – Leveljump Healthcare Corp. (TSXV: JUMP) (OTCQB: JMPHF) (FSE: 75J) (“Leveljump” or the “Company”), a Canadian leader in B2B telehealth solutions, is pleased to announce that its common shares are now eligible for electronic clearing and settlement through the Depository Trust Company (“DTC”). DTC is a subsidiary of the Depository Trust & Clearing Corp. (“DTCC”) that manages the electronic clearing and settlement of publicly traded companies in the United States.

JUMP common shares are now fully DTC eligible and will continue to trade under the ticker symbol “JMPHF” on the OTCQB. Through an electronic method of clearing securities, DTC eligibility simplifies the process of trading and transferring the Company’s common shares between brokerages in the United States.

“With DTC eligibility, our shares will be more accessible to a broader range of investors in the U.S. This should allow JUMP to increase its global shareholder base and increase the liquidity of our common shares to the benefit of all investors.” Mitch Geisler, CEO.

### **About Leveljump Healthcare**

Leveljump Healthcare Corp., (TSXV: JUMP) (OTCQB: JMPHF) (FSE: 75J) is building a national medical diagnostic imaging company and brand, primarily by providing teleradiology (remote radiology) services to its client hospitals and imaging centers. Additionally, JUMP plans to expand through the acquisition of independent healthcare facilities focused on diagnostic imaging as well as acquiring new disruptive imaging technologies.

### **CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING INFORMATION**

*This news release contains “forward-looking information” within the meaning of applicable securities laws relating to the Company’s business plans and the outlook of the Company’s industry. Although the Company believes, in light of the experience of its officers and directors, current conditions and expected future developments and other factors that have been considered appropriate, that the expectations reflected in this forward-looking information are reasonable, undue reliance should not be placed on them because the Company can give no assurance that they will prove to be correct. Actual results and developments may differ materially from those contemplated by these statements. The statements in this press release are made as of the date of this release and the Company assumes no responsibility to update them or revise them to reflect new events or circumstances other than as required by applicable securities laws. The Company undertakes no obligation to comment on analyses, expectations or statements made by third parties in respect of the Company, Canadian Teleradiology Services, Inc., their securities, or their respective financial or operating results (as applicable).*

***Neither the Exchange nor its Regulation Services Provider (as that term is defined in the policies of the Exchange) accepts responsibility for the adequacy or accuracy of this release.***

***The securities being offered have not been, and will not be, registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act") or any U.S. state securities laws, and may not be offered or sold in the United States or to, or for the account or benefit of, United States persons absent registration or an applicable exemption from the registration requirements of the U.S. Securities Act and applicable U.S. state securities laws. This press release does not constitute an offer to sell or the solicitation of an offer to buy securities in the United States, nor in any other jurisdiction.***
